

### **Architectural CAD Production**

**Location:** Uptown Dallas      **Experience:** 5-7 years      **Send resumes to:** resumes@bha.studio

If you take pride in producing clear, accurate construction documents and enjoy being the technical backbone of a project team, this role is for you. **bha | studio** is an established interior architecture firm based in Uptown Dallas since 1982. We focus on corporate workplace environments and are known for our collaborative culture, steady project pipeline, and high-quality documentation standards.

We are seeking an experienced CAD production professional to support our design teams through technical expertise, field verification, and documentation leadership.

#### **What You'll Do**

- Produce high-quality construction documents for corporate interior projects
- Support project teams with technical detailing and documentation coordination
- Conduct field verification and Matterport scanning
- Maintain drawing standards and ensure document accuracy
- Collaborate with designers, consultants, and project managers

#### **What We're Looking For**

- 5–7+ years of architectural or interior documentation experience
- Strong AutoCAD proficiency and deep knowledge of construction documentation
- Experience with field verification and redline implementation
- Highly detail-oriented, organized, and dependable
- Comfortable working in PDF workflows, Adobe, Teams, and Office

**Preferred:** SketchUp experience and familiarity with MEP/structural coordination

#### **Why Experienced CAD Professionals Choose Us**

- Stable, long-standing Dallas firm with consistent workload
- Respect for technical expertise — production is valued here
- Collaborative, low-ego studio environment
- Reasonable deadlines and sustainable work pace
- High-quality, well-managed projects

#### **Benefits**

- Competitive compensation: **\$70,000–80,000**
- 401k with profit sharing
- Healthcare + employer HSA contribution
- Generous PTO and holiday schedule
- Optional work-from-home Fridays
- Well-designed office in Uptown Dallas

**Not the right fit if you prefer to work independently, resist feedback, or are not detail-focused.**

**Work Authorization** - Applicants must be authorized to work in the United States without sponsorship now or in the future.
